

Cardiff Airport

Cardiff

This exciting project will transform the experience for customers arriving to and departing from Wales' National Airport. The project consists of the following:

- Refurbishment of the arrivals hall to incorporate a coffee shop
- Additional seating area in the departure lounge
- Additional coffee shop in the departure lounge
- Increased retail space in the departure lounge
- Expanding the Executive Lounge, allowing for additional seating
- Upgrading the hold baggage screening system to meet enhanced security requirements

Externally, we are working on upgrades to the car parking and car hire facilities including new 'meet & greet' car parking with a dedicated drop off and pick up area close to the terminal. A new car hire centre will be located close to the terminal building.
