

## Bluestone

### Bluestone Holdings

This masterplan project comprises a 500,000 sq ft holiday village, 120 units of lodge accommodation, 30 cottages and 30 studio flats and leisure facilities which include sports world, water world, snow world, restaurants and entertainment facilities.

Situated in the heart of the development the village provides holiday accommodation along with a wide range of facilities including a village pub, market, delicatessen, visitor centre and a health spa.

Visitors to Bluestone looking for relaxation or activity are able to enjoy a holiday created perfectly for them. The stunning location, wide range of outdoor pursuits and generous facilities, including Waterworld and the Sportsclub, mean a huge variety of holiday options are available for everyone.
